About

Ricky Forbes is a professional storm chaser, severe weather expert and speaker.

Ricky cut his teeth chasing the world's wildest storms across Canada and the United States. He helped create and star on the TV show Tornado Hunters. This show features some of the best storm footage ever captured, including being caught inside the world's largest tornado.

When not chasing storms, you will find Ricky traveling the world, pursuing adventures and creating content to tell those stories. This kind of work is often done in conjunction with major brands, resorts and tourism agencies.

An adventurer at heart, Ricky has been sharing his experiences through photo and video ever since he was child. He features these incredible stories and imagery to his 720k followers on social media and TV projects.

At home Ricky loves to spend time with his family, friends and volunteer. Ricky's family includes his partner, Tirzah Cooper, and his step kids, Mason and Vayda.

Ricky is 35 years old, and calls home to Saskatoon, Saskatchewan.

Speaking Reviews

Our grade 5 students were very excited to welcome Ricky Forbes to present about storm chasing. Ricky shared his experiences as a storm chaser, provided a lot of great background information about storm formation and terminology (science connection), and shared interesting visuals and videos for the students. The presentation was very educational and engaging. At the end, each student walked away with a special keepsake to remember their experience!
